

# AMERICAN FRIENDS OF THE MAURITSHUIS

Dear Friends,

It has been an exciting month: on June 26, American Friends attended a Special Preview on the occasion of the [reopening](#) of the Mauritshuis. The paintings never looked better in their historic home, while the new light-filled underground foyer connects the building to the art deco Royal Dutch Shell Wing where temporary exhibitions are held. The museum opened to the public on June 27 and we hope you will plan to visit soon.

## **FRIEZE MASTERS**

Dedicated to art from ancient to modern, Frieze Masters will take place 15–19 October 2014. We are able to put our patrons forward for VIP accreditation to [Frieze Masters](#). VIP accreditation will allow access to the Frieze Masters Preview on Tuesday, 14th October. Please let us know if you wish to apply for accreditation.

Frieze Masters coincides with Frieze London and is a unique art fair which presents a contemporary perspective on historical art. The fair features over 120 galleries from around the world showcasing artwork made before the year 2000, ranging from the ancient era and old masters to the late 20th century. The fair also includes Spotlight, a section dedicated to 20th-century art from all over the world, from Latin America to the Middle East.
